KEY MILESTONES

Ets. Isaac Holdings is a private company incorporated and based in the Democratic Republic of Congo (DRC). It invests in sectors that promise greater social impact in the community with a clear focus on education, healthcare and agriculture. To ensure focus of each team, our three sectors operate as independent divisions.

The Isaac Holdings Healthcare Division is the largest division and it is fully dedicated to improve the quality of Healthcare in the DRC while leveraging on the power of technology and partnerships. The company works with partners to ensure greater access to quality pharmaceutical products, quality medical devices and equipment.

BRINGING CHANGE TO THE COMMUNITY

Our Vision

Our vision is to improve the quality of healthcare by providing access to quality medicines and medical equipment in the DRC.

Our Mission

Our mission is to work with partners across the world and within our communities to ensure greater access to medicine and medical equipment in villages, small towns and big cities in the DRC as well as provide the needed capacity development to ensure the sustainability of the solutions we provide.

& Key Milestones & Achievements

* In 2017, entered into partnership with Laboratory & Allied Limited, a leading manufacturer of medicine in Kenya.

* In 2018, we entered into another partnership with Abacus Parenteral Drugs Ltd (APDL) a leading manufacturer of parenteral medicine in Uganda to market their products in DRC

* In 2018, we created the RAME a network of independent pharmacies, health centers and importers who channel their orders through Ets. Isaac Holdings. Now we have 2000 retail pharmacies, 700 health centers and 30 importers.

* In 2019, we also partnered with Ecomed, a manufacturer of medical equipment in China to market and distribute their products in the DRC.

* In 2020, we entered a partnership Mega Lifesciences PLC a leading manufacturer of soft gel capsules and other medicines from Thailand.

- In 2021, we created the Isaac Holdings Foundation (IHF) with the aim of implementing initiatives that promote access to medicines, education and food security.

- * In 2021, we held our 1st RAME Members' Conference in which we only admitted 270 due to COVID 19 containment measures.

We play a part at every level of the healthcare value chain...

... from Factory to Patients, we are helping improve health outcomes.
